

# THANKS FOR YOUR SUPPORT DURING CAFESMART! WE HAVE JUST HELPED FUND 96 COMMUNITY GRANTS!

Back in August, **CafeSmart** united coffee roasters, cafes and generous coffee lovers across the country. The event raised **\$169,000** and StreetSmart has just distributed these funds to **96 small grassroots charities** that are providing vital services to people at risk of or experiencing homelessness.

“ Your donations act like a soft cushion for our clients at the most terrifying and challenging time of their lives. Thank you so much StreetSmart supporters, please know that your funds will go directly to our women and children. Thank you for being so generous and amazing. With love and thanks.

**The South West Refuge Inc team,  
Bunbury, WA**

“ Currently we are housing four young people who have used some of the funds to purchase much needed necessities, as they arrived here with very few possessions. “I’m really excited cos I have a job trial at a restaurant Friday night and I could buy a new shirt and pants for the trial” - C aged 17 years. Thanks again Streetsmart!
